PRESENT: THE HONORABLE CARLA BALDWIN, U.S.MAGISTRATE JUDGE

Deputy Clerk: Lisa Mann Court Reporter: Liberty Recorder

Counsel for Plaintiff(s): John Nolan, Mark Mausert, and Michael Langton

Counsel for Defendant(s): Kiah Beverly-Graham and John Albrecht

PROCEEDINGS: VIRTUAL MOTION HEARING

9:03 a.m. Court convenes.

The Court notes the purpose of this hearing is to address the Defendants' Motion to Stay Discovery (ECF No. 24).

The Court further notes that when considering a motion to stay discovery, the Court is obligated to take a preliminary peek at the motion to dismiss. However, in this instance, the motion to dismiss was not fully briefed prior to the motion to stay discovery being fully briefed. Therefore, the Court directs that counsel refrain from filing documents in this manner in the future.

Having heard from counsel and good cause appearing, the Court finds that

counsel shall meet and confer to determine a plan to delineate discovery narrowing what discovery shall proceed first in this case. The Court suggests that counsel first conduct limited written discovery regarding the state law claims and then proceed to depositions. The Court advises that the parties shall be allowed three hundred sixty (360) days from today's date to complete discovery. In addition, the Court advises that it is amenable to granting future extensions of discovery, if warranted. Therefore, Defendants' Motion to Stay Discovery (ECF No. 24) is DENIED.

The Court advises that today, it will issue an Order to File Case Management Report. The Court further advises that a Virtual Case Management Conference will be scheduled in this case.

IT IS SO ORDERED.

9:26 a.m. Court adjourns.
